## REQUEST FOR CORRECTED NOTICE OF ALLOWABILITY

MS: ISSUE FEE

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450 October 19, 2007

Sir:

Receipt is hereby acknowledged, with appreciation, of the Notice of Allowance and Fees Due mailed on September 21, 2007 and a Notice of Allowability (Form PTO-37), attached therewith. In this Notice of Allowability, it is stated in paragraph 3 that there is no acknowledgment of a Claim for Foreign Priority under 35 USC §119. Applicants respectfully request correction of this inasmuch as priority to Japanese Application 2000-181692, filed on June 16, 2000 was, indeed, claimed in the Declaration filed with this continuation application on March 2, 2004 (Attachment 3), (noting that the original claim for priority and the certified copy of the priority document was filed in the parent application Serial No. 09/880,819). Acknowledgment of the foreign priority was made in the Filing Receipt for the present application,

mailed on May 20, 2004 (Attachment 1). Further, the PTOL-326 form accompanying the January 16, 2007 Office Action (Attachment 2) also acknowledged the Claim for Priority. Therefore, it is respectfully requested that a corrected Notice of Allowability be mailed properly acknowledging the Claim For Foreign Priority under 35 USC §119.

If the Examiner believes that there are any other points which may be clarified or otherwise disposed of either by telephone discussion or by personal interview, the Examiner is invited to contact Applicants' undersigned attorney at the number indicated below.

To the extent necessary, Applicants petition for an extension of time under 37 CFR §1.136. Please charge any shortage in the fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account No. 01-2135 (Case No. 501.40202CX1) and please credit any excess fees to such deposit account.

Respectfully submitted,
ANTONELLI, TERRY, STOUT & KRAUS, LLP

Date Mailed: 05/20/2004

Receipt is acknowledged of this regular Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. If an error is noted on this Filling Receipt, Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with two provides the provided thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the USPTO processes the reply to the Notice, the USPTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).

## LICENSE FOR FOREIGN FILING UNDER Title 35, United States Code, Section 184 Title 37, Code of Federal Regulations, 5.11 & 5.15

#### GRANTED

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IR REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.16(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related applications(s) filed under 37 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espicange and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 OFR 121-128)); the Office of Export Administration, Department of Commerce (15 OFR 370.10 (ii)); the Office of Foreign Assets Control, Department of Treasury (31 OFR Parts 5004) and the Department of Engrey

#### NOT GRANTED

No icense under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 512, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secreey order under 35 U.S.C. 181. the licensee may roreign file the application pursuant to 37 CFR 5.15(b).
